**Mayor's Report:**

The mayor urged citizens and business owners to take the Sidewalk Ordinance seriously. He read a portion - citizens are to clear their sidewalks of snow/ice within 24 hours of a storm. Not only is the property owner responsible if someone is injured, but failure to do so is a minor misdemeanor with a fine of up to \$150.00. Citations can be given out by the Zoning Inspector or the Police Department. Hicksville Solicitor Troy Essex said he would

draw up the complaint to be served on the property owner. The mayor asked everyone who can to help their neighbors out, especially if they are elderly.

Cory Wann said he has had residents ask him about the sidewalks around McDonald's corner. They have not been cleared.

Ron Beverly said he once cleared the sidewalk from Marathon to the school. He asked if the village employees could do it. He was told that was opening a "can of worms." The village is not responsible for maintaining private property. There are only 2 street employees to keep the village streets scraped and salted.

Larry Ridgway made a motion to adjourn, seconded by Eric Bassett. All voted yes. Meeting adjourned at 6:25 pm.
